TRAVELSCAPES / HOSPITALITY & TRADE

Landscape artwork for guest spaces

Photographs and films by Sven Bannuscher

Who it’s for

Hotels, restaurants, vacation rentals, interior designers and art consultants furnishing guest rooms and shared spaces.

What you can request

Individual fine art prints, coordinated photograph series across rooms, image licensing for an agreed use, and 4K display loops for compatible lobby and lounge screens.

Print sizes

The storefront lists 5 × 7, 8 × 10, 8 × 12, 12 × 18, 16 × 24, 20 × 30, 24 × 36, 30 × 40 inches across the catalog. Check the photograph page for its available options.

How a project runs

Tell me about your space. We narrow the selection, review available sizes and the quote, confirm the order or licensing terms, then arrange delivery or digital handoff.

What to send for a quote

Include the space type, usable wall widths and heights, quantities by room and timing. Add photograph references, wall photos or finish samples if you have them.

La Jolla Shores at Dusk

Visualisation, not a completed installation

El Matador Sea Cave

Visualisation, not a completed installation
